JEUX INTIMES

Naughty advent calendar

24 small treats for two, from 1 to 24 December: playful at first, then sensual, then a little hotter.

Getting it ready

- Print the two pages of days and cut them out along the dotted lines.
- Fold each day in half and slip it into a small envelope, a matchbox or a sock hung on a garland.
- Stick the day's number on it (last page): all that's left is to open one each evening.
- Make it a team effort: one of you prepares the even days, the other the odd ones, and either can swap a day for their own idea.

The rule

- Each day is a suggestion, not an obligation: a day that doesn't appeal is swapped or skipped.
- Talk about your limits before 1 December, and keep a safe word for the boldest days.

Nothing in a box one night? The dare of the day, the naughty wheel and hundreds of other ideas are on **jeuxintimes.fr**, free and without sign-up.

For consenting adults only. Free, for personal use. © 2026 Jeux Intimes.
