JEUX INTIMES

New Year's Eve game for two

The 12 strokes of midnight: one card every ten minutes, from 10:10 pm to midnight, from looking back on the year to the first kiss.

Before you start

- Cut out the 12 cards and keep them in order, in a bowl or an empty glass.
- Have two slips of paper and two pens (card 5), a playlist (card 6) and, if you like, a scarf (card 11).
- Each of you says what you don't want to do tonight, and you pick a safe word.

How to play

1. At 10:10 pm, open card 1, then one card every ten minutes: the time is printed at the bottom.
2. Take turns opening a card and reading it out loud. "You" means whoever opened it.
3. Running late? Open two cards at once: card 12 lands at midnight.
4. Any card can be skipped, with nothing in return; the safe word ends the game.

After midnight, the naughty wheel, shared fantasies and hundreds of dares are waiting at **jeuxintimes.fr** : free and without sign-up.
