JEUX INTIMES

Printable naughty cards

54 cards to play as a couple: 24 dares, 24 truths and 6 jokers.

Before you start

- Each of you says what you don't want to do tonight, and you pick a safe word.
- Any card can be skipped, with no penalty and no need to explain.
- The safe word ends the game at once, no discussion.

How to play

1. Shuffle the cards and put the deck face down between you.
2. Take turns drawing a card and reading it out loud.
3. A dare is done, a truth is answered, a joker is kept or played straight away, as it says.
4. The dots at the bottom show the intensity: one dot for closeness, two for sensual.
5. Stop whenever you like: you don't have to finish the deck.

Print and cut

- Print at actual size (100%), on thick paper if you can (160 to 250 gsm).
- Cut along the dotted lines: each card is the size of a playing card (63 × 88 mm).
- The last page is optional and is for the backs: print it on the reverse of each card page.
